Sanforce

Longfeng Road, Xinsheng Longgang District Shanghai 518000 China

Phone: 0755-89648670 Fax: 0755-89648671

Since 2008, Sanforce has been focusing intensively on manufacturing reliable, affordable, and innovative LED emergency lighting drivers. We are a privately-owned and full-line emergency power supply manufacturer. We take pride in our ability to cater to a wide range of sectors by manufacturing and supplying durable, dependable, and bespoke emergency ballasts. And we stand true to our objective of keeping the lights on when the power goes down.
