# Infrared Laser Cut-to-Length Cutting System

Building 4, Hengxin Industrial Park, No. 8 Xinhua Avenue, Huangpi District, Wuhan,

Hubei, China 430000
Hubei 430000
China

Phone: 8613995588597

The system has high measurement and control accuracy and strong anti-interference ability, which improves the output and quality of the cast products and reduces the labor intensity of the operator. It has the advantages of low investment, simple installation, debugging and operation, and basically maintenance free. It is suitable for the primary and secondary cutting of various billets.
